## **Nordlux is Danish-design luminaires for the people since 1977. Lighting solutions for indoor, outdoor and smart home applications.**

Scandinavian design is a prominent design movement that emerged in the early 20th century in Nordic countries of Sweden, Denmark, Finland, Norway and Iceland. Beloved for its functionality, simplicity, craftsmanship and connection to the natural organic environment, Nordic design has been influencing architects and interior designers for almost a century. Offering plenty of room for self-expression, the Nordic style also suits modern living spaces that require function and adaptable products that stand the test of time. Nordlux pays homage to the legendary pioneers of Scandinavian design while offering a fresh twist on the iconic Nordic style. Our products offer an easy way to introduce exclusivity and sophistication in your living space while effortlessly evoking a sense of coziness and calmness.
